EDUCATION

Oregon State University, Corvallis, OR   2017 - 2021
Bachelor of Science - Computer Science
Minor in Mathematics

EXPERIENCE

Custodial Assistant   *Oregon State University Memorial Union*
September 2019 - June 2021   *Corvallis, OR*
Custodial Assistant responsible for cleaning the Memorial Union as well as the Student Experience Center, campus cultural centers, and child care building.

Intern   *Clean Water Services*
June 2021 - Present   *Hillsboro, OR*
Intern with Digital Solutions department at Clean Water Services, a water resources management utility. Developed tools and products primarily for Field Operations and Development Services departments. Worked with various servers and databases.

PROJECTS

Virtual Reality for Prototyping Factory Processes
Created a virtual reality training tool to be used with modular home development. In modular home development, pieces of the houses are built in a factory and then shipped off to the final location to be assembled on site. The goal is to allow workers to learn the stations of the factory in VR.
